

YOUNG PEOPLE'S FEEDBACK

# HOW DID WE DO?

2023 / 2024 Quarter 1

177 Evaluations were recorded in Q1. These were made up of in service and end of service evaluations

“

“I leave school today. I have a place at college My attendance has increased and I'm feeling positive.”

“I like it I think its actually good having support. Nice having Karen to talk to a at school”

“Your funny. I feel comfortable with you and I don't feel stressed with you.”

“Really helpful, patient and genuinely felt like they cared about everything that was going on. Nothing bad to say at all.”

“You've given out lots of helpful information and got other support You referred to victim support, catch 22, supported in school... You have been amazing and Brilliant. I would recommend Prospects to everyone.”

My Youth Worker gave me the right amount of time and support.

My youth worker listened to me and understood my worries.

I have developed resilience and other skills which has helped me make positive changes.
