

YOUNG PEOPLE'S FEEDBACK

HOW DID WE DO?

2023 / 2024 Quarter 2

98 Evaluations were recorded in Q2. These were made up of in service and end of service evaluations

“

I feel confident enough in myself that I have joined a football team. Gary has helped me a lot.
I appreciate the support I have been getting and feel I am making good progress.

“Your funny. I feel comfortable with you and I don't feel stressed with you.”
You've been very supportive, guiding me in the right direction for getting into college and talking about what course to do. Helped making mind clearer

I think my youth worker has helped me succeed in some of my goals and helped me achieve things to the best of my abilities

My Youth Worker gave me the right amount of time and support.

My youth worker listened to me and understood my worries.

I have developed resilience and other skills which has helped me make positive changes.
